RMAC Men's Basketball Tie-Breaker Formulas

(per RMAC Conference Code Appendix A5)

INTRADIVISIONAL

1. Conference record
2. Head to head competition in regular season conference play
3. Approved rating system - conference games only
4. Approved rating system - non-conference games included

INTERDIVISIONAL

1. Conference record
2. Approved rating system - conference games only
3. Head to head competition in regular season conference play
4. Approved rating system - non-conference games included

Approved Rating System - Conference Games Only

Points shall be awarded for each contest played as shown on the point rating system as established by the opponents' divisional standing.

- 5 points - win over a .500 or better team on the road
 - 4 points - win over an under .500 team on the road
 - 4 points - win over a .500 or better team at home
 - 3 points - win over an under .500 team at home
 - 2 points - loss to a .500 or better team at home or on the road
 - 1 point - loss to an under .500 team at home or on the road
- (Neutral site games are considered road games)

Calculation

1. Add all of the points awarded for each regular season contest to determine the total number of points awarded during the season. Only contests with active NCAA Division II institutions shall be included.
2. Divide that total number of season points by the the total number of regular season contests played against Division II opponents. The result is the per contest point average.
3. Institutions shall be ranked according to the highest contest point average for all regular season competition.

Approved Rating System - Non-Conference Games Included

For non-conference teams, the winning percentage is based on all Division II games.

- 5 points - win over a .500 or better team on the road
 - 4 points - win over an under .500 team on the road
 - 4 points - win over a .500 or better team at home
 - 3 points - win over an under .500 team at home
 - 2 points - loss to a .500 or better team at home or on the road
 - 1 point - loss to an under .500 team at home or on the road
- (Neutral site games are considered road games)

Calculation

1. Add the points from the non-conference games to the total for conference games.
2. Divide by the number of games played, resulting in new per contest point average.
